Connection technology

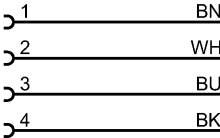

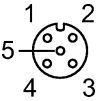

Product characteristics

|                          |   |
|--------------------------|---|
| Socket                   |   |
| For sensors with         |   |
| M12 connector            |   |
| gold-plated contacts     |   |
| Electrical data          |   |
| Electrical design        | AC/DC                                       |
| Operating voltage [V]    | 300 AC/DC                                   |
| Environment              |   |
| Ambient temperature [°C] | -20...105                                   |
| Protection               | IP 68                                       |
| Mechanical data          |   |
| Design                   | angled                                      |
| Material body            | PVC   |
| Material nut             | stainless steel 316Ti / 1.4571              |
| Electrical connection    |   |
| Connection               | PVC cable / 10 m; 4 x AWG 22 (4 x 0.34 mm²) |
| Sheath color             | grey  |

Wiring

Core colors

BK black  
BN brown  
BU blue  
WH white

5: not used

|                       |   |
|-----------------------|---|
| Remarks               |   |
| Pack quantity [piece] | 1 |
